# Introducing the 10-20 Warranty — Built to Last. Backed with Confidence.

At Firststar, we don't just make equipment, we make long-term investments in your practice. That's why we're proud to introduce our new 10-20 Warranty, offering industry-leading protection against defects in materials and workmanship.

## **What's Covered?**

### **10 Years of Coverage**

All Firststar chairs, delivery units, lights, and assistant's instrumentation are covered for 10 years against defects in materials and workmanship.

### **20 Years "Under the Hood"**

We go even further where it really counts:

The air and water carrying components inside the delivery head are backed for a full 20 years. If it moves your air or water, we stand behind it.

### **What Else You Should Know**

- Chair upholstery: 5 years — excludes normal wear, mishandling, stains, cuts, scratches, or discoloration from disinfectants
- Electric motor: 2 years
- Handpiece tubings (ISO-C and Four Hole): 1 year
- Labor and shipping are not included
- Warranty does not cover issues from improper handling, installation, failure to follow user guides, or unauthorized modifications

**Built strong. Backed better.** — Your equipment should work as hard as you do.
