# INTELLIGENCE Aeras PEACE OF MIND

## INTELLIGENT AERAS® TECHNOLOGY

In an increasingly complex world, smart devices simplify how we integrate new technology into everyday life. From smartphones to smart homes, intelligent devices are simplifying the way we live. And now, they're doing some of the work for us at work too. With the introduction of the Aeras platform, the smart revolution has reached the dental office, offering interconnectivity, insight, and control.

Pivot Chair Mount

Pivot Chair Mounts easily move left to right on large roller bearings to accommodate left and right-handed practitioners. Unlike a Fixed Chair Mount delivery system, the mounting arm comes from underneath the patient rather than over the top, making it less obtrusive and more patient-friendly. Pivot Assistant's Instrumentation, Operatory Lights and Monitor Mounts are popular options to support your style of practice.

Fixed Chair Mount With Sidebox

Fixed Chair Mounts With Sidebox allow for a Cuspidor, Assistant's Instrumentation, a Monitor and Light to mount on a sidebox, which is large enough to accommodate a host of ancillary support products. Finish the aluminum side covers in one of our nine powder coat paint colors and choose a complementary carbon fiber trim to finish the top cap. If you use a cuspidor, select our beautiful high-gloss ceramic black for a customized and beautiful patient-friendly delivery system.

Cabinetry Mounting Configurations

Made for Each Other

From the ground up, Forest delivery systems are designed for easy cabinet integration.

7000 Series Beneath Counter Mount (BC)

Start with a strong foundation

- Your choice of 3/4" hardened steel 11" x 14-1/2" or optional 10" x 24" mounting plate that bolts to the bottom of your counter top
- Followed by a 6" x 6" leveling plate and a set of needle roller bearings with friction adjustment.
- Durable 2-1/2" steel tube dual arm assembly with needle roller bearings installed between pivoting arm sections.

7000 Series Under Cabinet Floor Mount (UC)

Start with a strong foundation

- Low profile 1/2" steel floor mount plate allows room for your stool casters.
- Needle roller bearings with friction adjustment eliminates drift.
- Durable 2-1/2" steel tube post and arm assembly with needle roller bearings installed between pivoting sections.

3486 Beneath Counter Mount (BC)

Start with a strong foundation

- Your choice of 3/4" hardened steel 11" x 14-1/2" or optional 10" x 24" mounting plate that bolts to the bottom of your counter top.
- Followed by a 6" x 6" leveling plate with friction adjustment.

3486 Under Cabinet Floor Mount (UC)

- Low profile 1/2" steel floor mount plate allows room for your stool casters.
- Needle roller bearings with friction adjustment eliminates drift.
- Durable 2-1/2" steel tube post and arm assembly with needle roller bearings installed between pivoting sections.

STANDARD IC

- Material: aluminum hinged lid 1/8" ABS plastic chassis with durable DR acrylic protective coating  
Benefit: hinge allows quick access to controls and ancillary devices / lid and chassis are resistant to UV, impact and compatible surface cleaners / aluminum lid is strong and lightweight
- Material: electro-less nickel plated brass air and water Ts, routing valves, pneumatic control and distribution blocks  
Benefit: 20 year limited warranty on all parts "under the hood" (on all control heads); refer to page 107 for warranty details  
trouble-free handpiece operation
- Material: handpiece holder bar with glass-filled nylon injection molded handpiece holders  
Benefit: allows for up to four handpiece positions, a syringe and ancillary touchpad at your desired angle and spacing
- Material: hinged aluminum control head lid  
Benefit: available in nine two-coat powder coat paint colors
- Material: plastic chassis  
Benefit: available in three carbon fiber look and two solid color finishes

EURO

- Material: whip arms rotate on nylon wheels with aluminum and brass components  
Benefit: feather-touch whip movement / ultralight handpiece feel / long, trouble free life
- Material: control head swivels at its center point  
Benefit: 240-degrees of control head rotation allows for beside-or over- the-patient placement
- Material: forward mounted aluminum whip arm system  
Benefit: allows for greater reach of handpiece and syringe expanding control head placement options.
- Material: plastic control head lid  
Benefit: available in three carbon fiber looks and two solid color finishes
- Feature: autoclavable silicone handpiece pad available in black and white  
Benefit: blends with Designer Friendly® choices

Standard IC Delivery Unit

Standard IC

Please use graph below to determine number of ancillaries and options possible for the Standard IC.

Standard Features

- Automatic control for three handpieces
- 3-way air/water syringe with tubing, 5'
- 4-hole handpiece tubing, 5'
- pneumatic master control block with diaphragm
- master on/off
- individual handpiece pressure adjustment
- individual water coolant adjustment
- non-retraction water coolant
- air/water coolant adjustment
- handpiece flush
- handpiece exhaust canister/oil collector
- handle brake release function

% Standard IC Control Head Space Absorbed per Option

**Please note:**  
**If your ancillary and option choices exceed 100%, please call customer service for additional information.**  
\* Uses existing handpiece position  
★ Standard on SE and SI deliveries  
+ 3900 Chair touchpad cable standard on PI and SI deliveries  
◆ Two or more may require purchase of 0010-310 ancillary shelf (see page 66)

**⚠ WARNING:** Isolated water sources (as opposed to city water hook-up) are highly recommended to allow full control of the source and quality of water circulating through the syringe and cuspidor water lines. If you do not have a water quality protocol, the optional self-contained water system allows you to isolate this product from the municipal water supply, however, it requires monitoring, maintenance and disinfection of the water lines, reservoir water bottle and source water.

250 Watt (Universal Power Supply)

Used when two or more ancillary devices are ordered with a Forest Operator Light (excluding the 3900 soft-touch massager power source)

- Provides power for MULTIPLE electrical accessories such as: fiber-optics operator lights, scalers, curing lights, and electric micro motors
- Size: 7.5" - 5.5" - 2.5". Easily fits in all Forest floor boxes
- Quick disconnect connectors for all of Forest ancillary products
- Available in both 230 volt and 110 volt
- Auto-resettable Klaxon switch: inbuilt over current and over temperature protection, eliminating the need for manually changing fuses or circuit breakers

Please note: built in air-electric switch, power source turns on/off w/pilot air only

DENTALEZ and its employees are proud of the products we provide to the dental community. We stand behind these products with a warranty against defects in material and workmanship as provided below.

In the event that you experience difficulty with the application or operation of any of our products, please contact our technical service department at our expense at (800)423-3555.

If we cannot resolve the issue by telephone, we will arrange for a representative to contact you or suggest that the product be repaired by a dealer service technician.

If product return is required, we will provide you with a Return Authorization number and shipping instructions to return the product to the proper facility. If the product is under warranty we will ask you to provide proof of purchase such as a copy of your invoice. Please be sure to include the Return Authorization number on the package you are returning. It is the responsibility of the purchaser/end user to immediately cease using the product upon discovery that the product is not in proper working order and to dispose of any defective product that is not returned to DENTALEZ.

Freight costs for product returns are the responsibility of the customer. Products under warranty will be repaired or replaced, at our sole discretion, and returned at our expense. We are not responsible for shipping damages. We will, however, help you file a claim with the freight carrier.

DENTALEZ warrants all equipment and parts to be free of defects in material and workmanship, under normal usage, under the following terms:

Forest	Limited Warranty Period*
Patient chairs / Provider stools	5 years from date of installation
Chair / Stool upholstery	2 years from date of installation
Delivery systems	5 years from date of installation
7000 series delivery system chassis	20 years from date of installation
Handpiece illumination systems	6 months from date of installation
Power suppliers, Syringe buttons, HVE and SE valves	1 year from date of installation
Water bottles, gas springs, and handpiece tubing	2 years from date of installation
Air and Water tubing connectors (T's), Distribution block, Master control block, Flow valves	20 years from date of installation
Operatory lights	5 years from date of installation

Please note the following additional terms of our warranty and return policy:

- This warranty covers manufacturing defects only and does not cover defects resulting from abuse, accidents, misuse, improper handling, cleaning, care or maintenance. Damage, including, without limitation, discoloration of upholstery, resulting from contact, such as dye transfer, from garments worn by dental staff/team, the use of chemicals, cleaners, disinfectants or sterilization is not covered under this warranty nor is normal wear and tear. Failure to follow or observe our operating/use, maintenance and/or installation instructions voids this warranty as does the use of non-authorized parts and repairs made by an unauthorized repair facility.
- **Liability is limited to repair or replacement of the defective part(s) or products at our sole discretion. All other liabilities, in particular liability for damages, including, without limitation, special, exemplary, consequential or incidental damages are excluded.**
- THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. NO EMPLOYEE, REPRESENTATIVE OR DEALER IS AUTHORIZED TO CHANGE THIS WARRANTY IN ANY WAY OR TO GRANT ANY OTHER WARRANTY.

CANCELLATION POLICY:

Standard orders: Written cancellation request required within 3 days of order entry date, otherwise a 25% restock fee will be charged. Expedited ship date requests are non-cancellable.

CUSTOM ORDERS:

- Custom configurations are those that deviate from Forest’s published product offering; these orders are non-cancellable and non-returnable.
- May be subject to an additional “Deviation” charge and/or a non-refundable engineering charge.
- Custom powder coat, custom plastic surface treatments and/or custom treatments such as multiple color combinations or custom colors may result in an upcharge of 10-15% per model and are non-cancellable and non-returnable.

WARRANTY REPLACEMENTS:

Parts replaced on a product that is in warranty will be warranted for the duration of that product’s original warranty

PRODUCT RETURN:

Opened products or product returns more than a year old cannot be returned for credit. There will be a 25% (\$25.00 minimum) restocking charge on all items authorized for return.

## EQUIPMENT

### EMBRACING OUR TRADITION

DENTALEZ has been providing high-quality equipment to the dental industry for over 60 years. The DENTALEZ Heritage product line continues the legacy of DENTALEZ equipment in a dedicated online catalog while supplies last. The future of DENTALEZ equipment will be re-imagined through the lens of the Forest equipment portfolio.

# KNOW BEFORE AT NO CHARGE!

Our dual voltage compressor is:

## SMART-ENABLED

Every Aeras includes the ability to monitor the health of your equipment and be notified before something happens

## DUAL-VOLTAGE

Can work with both 115-or 230-volt electrical installations

## OUR QUIETEST COMPRESSOR

No need for bulky sound covers, our integrated Sound Shield provides a sound level that is quiet as a conversation

## CLEAN AND DRY AIR

Dry air prevents bacteria growth and air is filtered to 0.01 microns trapping most airborne microbes

## BEST WARRANTY

Leading 6-year warranty on all parts

Badger™ LF

Badger LF Dry Vacuum

Part Number           BADGLF2  
Retail Price           **\$13,805**

The efficient, LubeFree dry vacuum system

- Compact LubeFree rotary vane pump with integrated 5 gallon tank
- Dental office can transition easily from wet to dry vacuum
- Open frame design means quick maintenance
- Saves 200,000 gallons of water annually
- 5 gallon polyethylene tank
- 2 year system warranty and 5 year pump warranty

Badger Specifications

Power Requirements		Pump Specifications	
Users	4	HP	1.5 HP 1,200 rpm
Voltage	208-230 VAC, Single Phase	Weight	Unit: 175lbs Shipping: 195lb
Full Load	6.2A	Maximum Vacuum	15 in Hg
Frequency	60 Hz	Breaker Size	15amp
Exhaust Vent	2"

12" Height Extender	575212	\$695
Auxiliary Vacuum Adapter	590504	\$150

Aeras Infini Tanks

Aeras Infini Tank

Part Number           A575080  
Retail Price            **\$4,600**

- InfiniTanks
- Simple maintenance free design
  - Drains without vacuum interruption
  - Significantly reduces the size and number of separating tanks
  - Completely automated to provide worry free operation

Specifications	InfiniTank	InfiniTank-High Flow
Treatment Rooms*	1-20	1-20
W	29"	55"
D	21"	27"
H	38"	62"

50 Gallon Cylindrical Tank

50 Gallon Cylindrical Tank

Part Number           590053  
Retail Price            **\$2,535**

**Custom Tanks**  
Have a special situation or need a custom solution for a challenging application? Give us a call (866-DTE-INFO) and let Ramvac® help solve your tough vacuum problem. Ramvac has years of experience and the ability to custom fabricate tanks and tank systems to help you out of a jam.

- 50 Gallon Cylindrical Tank
- Easy to Install
  - Reliable
  - Fiberglass construction won't corrode
  - Clean-drain tapered bottom
  - Clog resistant drain valve
  - Omni-directional drain & pump connections

Specifications	
Treatment Rooms*	13-20
Includes	2" & 3" inlet & vacuum fittings, 3 each galvanized pipe legs, and drain valve
OD	26"
H	62"

NOTES:  
\* This assumes 1 chair per room. For bays, let "rooms"= chairs.  
\*\* Aeras tanks include level sensor and cable interface to Aeras Vacuum Control.

Barracuda™

- **100% Dual Redundancy**
- Brass impeller and housing with sealed motor bearings for long life and chemical resistance
- 1 & 2 HP Water Injected Pump models available to meet a practice's specific requirements
- Optional water recirculator reduces water consumption by about 75%
- Two independent pumps to handle peak loads and back-up protection (Dual only)
- Maintains vacuum in peak work periods (Dual only)
- Provides back-up protection to minimize downtime (Dual only)
- Now with a 5 year limited warranty from date of installation.

Retail Price	\$3,505

NXT Amalgam Separator

- Compact design from Solmetex with internal manifold, ideal for hard to fit areas
- Integrates seamlessly with all Ramvac wet and dry vacuums
- Environmentally friendly packaging
- Simple mail-back recycling program
- Meets all “EPA Dental Rule” requirements
  - Clear system, easy to inspect
  - Two-minute container change out
  - No tools necessary
- ISO 11143 certified by NSF International

NOTES:  
Replacement canisters are supplied by SolmeteX, to order, please contact them directly. Used collection containers must be delivered to an EPA Certified Recycler. Ramvac is not a recycler. Do NOT send used collection containers to Ramvac.

Ramvac Product Support Services

DENTALEZ and its employees are proud of the products we provide to the dental community. We stand behind these products with a warranty against defects in material and workmanship as provided below and have our own in-house repair facility to service our products. In the event that you experience difficulty with the application or operation of any of our products, please contact our customer service department at our expense at (866)DTE-INFO.

If we cannot resolve the issue by telephone, we will arrange for a representative to contact you or suggest that the product be returned to our factory for inspection.

If product return or repair is required, we will provide you with a Return Authorization number and shipping instructions to return the product to the proper facility. If the product is under warranty, we will ask you to provide proof of purchase such as a copy of your invoice. Please be sure to include the Return Authorization number on the package you are returning. Products returned without a return authorization number cannot be repaired.

Freight costs for product returns are the responsibility of the customer. Products under warranty will be repaired or replaced, at our sole discretion, and returned at our expense. Products outside the warranty limits will be repaired and returned with costs invoiced to the customer. We are not responsible for shipping damages. We will, however, help you file a claim with the freight carrier. Written repair estimates are available.

DENTALEZ warrants all equipment and parts to be free of defects in material and workmanship, under normal usage, under the following terms:

Ramvac	Limited Warranty Period*
Aeras® Compressors	6 Years from date of installation
Aeras Dry Vacuums	6 years from date of installation / 10 years for pump only
Badger LF Vacuum	2 years from date of installation / 5 years for pump only
Wet Vacuum Systems	5 Years from date of installation
Master Water Control	2 Years from date of installation
NXT Hg5 Amalgam Separator	Warranty from Solmetex, 2 years

Please note the following additional terms of our warranty and return policy:

- This warranty covers manufacturing defects only and does not cover defects resulting from abuse, accidents, misuse, improper handling, cleaning, care or maintenance. Damage resulting from the use of chemicals, cleaners, disinfectants or sterilization is not covered under this warranty nor is normal wear and tear. Failure to follow or observe our operating/use, maintenance and/or installation instructions voids this warranty as does the use of non-authorized parts and repairs made by an unauthorized repair facility.
- Liability is limited to repair or replacement of the defective part(s) or products at our sole discretion. All other liabilities, in particular liability for damages, including, without limitation, special, exemplary, consequential or incidental damages are excluded.
- THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. NO EMPLOYEE, REPRESENTATIVE OR DEALER IS AUTHORIZED TO CHANGE THIS WARRANTY IN ANY WAY OR TO GRANT ANY OTHER WARRANTY.

Warranty Repairs:  
Parts repaired or replaced on a product that is in warranty will be warranted for the duration of that product's original warranty.

Product Returns:  
Opened products or product returns more than a year old cannot be returned for credit. There will be a 15% (\$25.00 minimum) restocking charge on all items authorized for return.

NOTES:  
\*Provided conditions defined in instruction manual are met. Aeras and DENTALEZ are registered trademarks of DENTALEZ, Inc. Ramvac, Bison, Bulldog, FLOWCHECK, InfiniTank, Ramclean and VACHECK are registered trademarks and Badger, Barracuda, Osprey, and SlugBuster are trademarks of Ramvac Dental Products, Inc. PowerScrub is a trademark of Solmetex, LLC.
