ICW MOUNTS ARE:

Customizable – Our standard mounts have been modularly designed to integrate with each other and they fit most customer applications. If you have a special mounting need, call us for a customized design. ICW offers onsite design, engineering and manufacturing services so we can quickly respond to your unique requirements.

Flexible – We design our mounts to move and adjust with fingertip control. You can easily position your monitor and keyboard exactly where you want them.

Stowable – Our products are designed to stow close to the wall so they tuck out of the way when your workspace is tight.

Extendable – When you need a mounting solution with maximum reach, contact us. Several of our products provide reach that equals the longest in the industry.

* Prices may be subject to change.

Durable – Arms and mounting systems are ruggedly designed and tested for commercial use. Our finishes are easy to clean and were developed to withstand sanitation required in healthcare and dental facilities.

Manageable – Our mounts are designed with optimum cable management, extending the safety and service life of your electronic devices and making sanitation easier.

Reliable – Thorough testing and field experience prove that ICW products stand up to the rigors of repeated commercial use. They are guaranteed to last! See our warranty on page 57.

Overhead Arm

UL182iOHAT Wall TRACK Mount
UL182iOHAP Wall PLATE Mount

Exceptional reach for a monitor

ICW's unique overhead mounting arm is an excellent solution for healthcare and dental environments. It's also ideal for industrial applications including shipping and receiving, and factories that require long reach and extensive range of motion for a monitor. Attaches to wall on a track or plate, or can be mounted within or over a cabinet.

- **ATTACHES** to the wall or above a cabinet, providing 180° of horizontal rotation at the mount.

- **PROVIDES** up to 360° of horizontal rotation for a monitor.

- **CONVENIENTLY STOWS** just 4" (10.2 cm) from the wall and monitor can be pulled out when needed.

- **INTERNAL WIRE MANANGEMENT** for regular or low voltage.

- **POWDER COATED** for durability in your choice of 14 color options.

UL182EV7-W3-KUB-A1

Ultra 182 Arm

**INDUSTRY-LEADING Full 180°
and 24" of Vertical Adjustability**

The patented Ultra 182 offers an unprecedented range of motion and rotates at every joint (PATENT 9,243,743)

- **VERSATILE.** The Ultra 182 can be configured to your specific needs. Ideal for computer workstations, and for mounting medical and industrial devices.

- **COMPACT.** The Ultra 180 and Ultra 182 stow 10" (25.4 cm) from the mounting surface and are ideal for space-constrained areas.

- **CABLE MANAGEMENT** system conceals cables and routes them through the arm for a neater appearance and to simplify cleaning.

- *INVERTED mount capabilities for all Ultra 180 and Ultra 182 arms to increase reach and avoid chair rails.*

Usable Track Slide Length	22" (55.9 cm)
Swivel at Track	360°**

Cabinet, monitor, keyboard and mouse not included.

Price: **$1,745**

*Custom tracks can be cut to length by request.

**Swivel limited to 180° when cabinet is against wall.

NEW! KB16 Tray for Compact Keyboards
Shown on Pro Slide Overcabinet Workstation.
See page 53 for details.
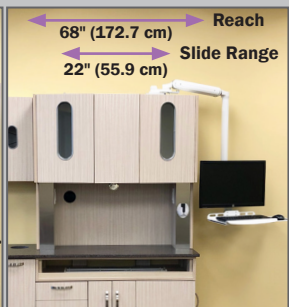

Pro Slide Overcabinet Monitor Mount Range of Movement

The Pro Slide track allows the mount to glide across the top of the cabinet to either side and conveniently stows out of the way when not in use.

Rotation at Mount — **360°**

Vertical Lift Range — **15" (38.1 cm)**

68" (172.7 cm) Reach — **22" (55.9 cm) Slide Range**

Rotates 360° at track and 180° when against wall.

Features 15" (38.1 cm) of vertical movement.

Mount slides 22" (55.9 cm) along track and reaches 68" (172.7 cm).

UL182I-EV7-PS28-D0-KUB

NEW! Pro Slide Undercabinet Workstation

Convenient and Durable Undercabinet Monitor Mount

The Pro Slide Undercabinet Workstation with Keyboard Tray features an articulating Ultra 182 arm connected to our standard KUB keyboard tray.

PRO SLIDE TRACK allows mount to slide to either side of cabinet in one smooth motion without unnecessary chatter

Price:
$**1,075**

Cabinet, monitor, keyboard and mouse not included.

- **UNIVERSAL TRACK*** can mount to underside of any cabinet. Competitor's mounts will only fit on their own proprietary cabinets.

- **WILL NOT DAMAGE CABINET** with vertical movement as mount includes adjustable stop.

- **MOUNT SLIDES** 21.6" (54.9 cm) along standard 28" (71.1 cm) track which can be customized to extended or reduced lengths.

- **VERTICAL LIFT** is 24" (61 cm).

- **HORIZONTAL REACH** is 68" (172.7 cm) along a standard track.

- **DOES NOT REQUIRE A COMPRESSOR** in order to operate.

- **5-YEAR WARRANTY**

- **EASY ONE-FINGER MOVEMENT** vertically and horizontally without noisy chatter when the mount slides across the track.

- **CYCLE-TESTED FOR 80,000 SLIDES** without issues or noticable wear.

- **WEIGHT-TESTED ON STANDARD CABINET MATERIAL AND FASTENERS FOR 166 lbs. (75 kg)** with no damage to the mount or cabinet.

- **CABLING IS DISCREETLY HIDDEN AND PROTECTED** in the slide track and internally through the mount, giving longer life to your mount and devices

- **KEYBOARD TRAY** is 20.2" (51.3 cm) wide and 8.9" (22.6 cm) offers adjustable tilt.

Pro Slide Undercabinet Workstation fits like a glove beneath the cabinet.

The Pro Slide's track provides smooth, effortless movement for the user while eliminating potential chatter and offers a unique professional wire management system that is both aesthetic and protects cables from damage.

Pro Slide Undercabinet Monitor Mount Range of Movement

The Pro Slide track allows the mount to glide beneath the cabinet to either side and conveniently stows out of the way when not in use. Mount slides 21.6" (54.9 cm) along track (UL182IEV7S-PS28-D0-KUB model shown above).

Ultra 180 Undercabinet Monitor Mount

Monitor glides 28" horizontally on undercabinet track. Three range of motion options:

- **Desk puck**
- **Short extension arm**
- **Standard extension arm**

Patented Ultra 180 undercabinet mount offers full range of motion for your monitor. This arm provides up to 180° of vertical arm rotation and 360° of horizontal rotation. The Ultra 180 tucks away under the cabinet when not in use, making it the perfect choice for tight spaces.

Tablet Mount - Professional

Adjustable. Theft-Resistant Fastener.

Securely holds tablets and provides exceptional range of motion. An excellent solution for retail points of sale, healthcare, dental and industrial applications.

- Spring loaded cradle expands and contracts to fit many tablet sizes.
- Theft resistant TABSDM secures tablet to plate. Requires custom ICW key for tablet removal.
- Mount adjusts 16.6" (42.2 cm) vertically, swivels 360°, tilts to any viewing angle.
- Attaches to a counter or desk with either a clamp or desk mount.
- Optional, TAB12 Series will hold larger tablets such as the iPad Pro and Surface 4.
- All tablet mounts have a 100mm x 100 mm VESA pattern so tablet mounts can also be added to any ICW mount.

Custom & OEM Mounts from ICWUSA.com

When you have a specialized device mounting challenge, ICWUSA will work with you to create a custom solution that's effective and easy to use. Our in-house design, engineering and manufacturing make it possible to produce custom and OEM mounts for any device.

1 **Made in USA means quality and high-speed turnaround**

▶ Flexible, on-site manufacturing means we can quickly customize an existing mount to fit your specific device.

2 **Over 6,000 modular arm configurations**

▶ World's largest variety of mounts.

▶ Our standard mounts have been modularly designed to integrate with each other and which fit most customer applications.

3 **On-site design, engineering and manufacturing**

▶ Designed, engineered, manufactured and assembled in Medford, Oregon, USA.

▶ The caliber of our mounts is unmatched by products made overseas.

4 **Durability you can depend on**

▶ We construct our mounts using heavy duty internal and external components for long life.

▶ ICW mounts are finished with tough powder coating that's easy to clean and resistant to chemicals.
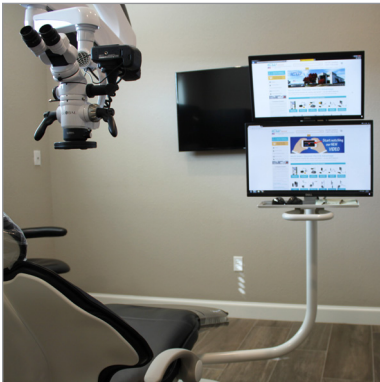

Using our standard arms as a foundation, ICW will build custom solutions catered to fit your specific workspace needs.

5 **We'll engineer a fully custom mount to meet your challenges**

▶ **When you have a specialized device mounting challenge**, ICW will work with you to create a solution that's effective and easy to use.

▶ **Our in-house design, engineering and manufacturing** enable us to produce custom mounts for any device.

6 **Get the mounting solution you need, when you need it**

▶ You won't have to send your work order overseas and wait two weeks for an answer.

7 **Outstanding customer support**

▶ Experienced, knowledgeable, on-site staff will answer your questions.

Product Warranty

What the Warranty Covers:
ICWUSA.com, Inc. warrants our product, under normal use, is free from any defects in materials and workmanship during the warranty period. ICWUSA.com, Inc., will, at its sole discretion, repair or replace the product with the same or like product.

How Long the Warranty is Effective:
All ICW components are warranted for 5 years from the original date of purchase, unless otherwise noted.

Who the Warranty Covers:
ICW extends the warranty to the first consumer purchaser when sold by ICWUSA.com, Inc., or an authorized dealer or distributor.

What the Warranty Does Not Cover:
1. Damage, deterioration, or malfunction resulting from any of the following:

   • Accident, misuse, neglect, fire, water, lightning, or other acts of nature; unauthorized product modification, or failure to follow instructions supplied with the product

   • Repair or attempted repair by anyone not authorized by ICWUSA.com, Inc.

   • Removal or installation of the product

   • Use of supplies or parts not meeting ICWUSA.com, Inc.'s specifications

   • Normal wear and tear

2. Any products used for rental purposes

3. Any ICW product that has been custom modified by anyone other than ICW

4. Removal, installation, or set up service charges.

5. Freight charges to return the product to ICWUSA.com, Inc. are the customer's responsibility.

   • On warranty repairs, ICWUSA.com, Inc. will return product to the customer via ground freight. International customers are responsible for the freight charges both ways, including customs, duties and taxes.

How to Get Service:
To obtain service warranty, you will be required to provide the following:
1. The original dated invoice
2. Your name
3. Your address
4. A description of the problem
5. The part number and color

For information about receiving service under warranty, contact ICW Customer Support at 1-800-558-4435 or sales@icwusa.com.

Return Policy

Thank you for purchasing your ICW mounting products. If you are not satisfied with your order, you may return the product(s) within 90 days of the date of invoice with a minimum 20% restocking fee.

Orders over 10 mounts are not returnable unless approved on an order by order basis. All returns are subject to a repair fee based on the condition of the returned product.

No returns on custom modified products or OEM (original equipment manufacturers) units.

Customers must request a Return Merchandise Authorization (RMA) from ICW by phone. Please call ICW at 800-558-4435 between the hours of 6:00 a.m. - 4:00 p.m. Pacific Time.

Be prepared with the following information:

   • Invoice number, sales order number or Purchase Order number

   • Part number(s) and product(s) being returned

   • Detailed explanation of reason for return

   • Name of the person who ordered the product, their phone number and email address

   • Name of a user of the product, their phone number and email address

Please follow these instructions to return your product:

1. **RMAs must be obtained within 90 days of the date of invoice.**

   • No return requests will be granted for discontinued products or custom modified products, including custom paint or coating without prior approval.

2. **Return authorization will be confirmed by e-mail** and will include a Return Merchandise Authorization label provided by ICW that is to be inserted into the packaging and attached to the outside of the packaging.

   • Merchandise must be returned in the original packaging

   • Merchandise must prominently display the RMA number on the outside of the packaging

   • Package must contain a signed copy of the RMA with the product

   • Customer is responsible for return freight costs and any damages caused in shipping

   • ICW must receive the product within 15 days from the issue date of the RMA to ensure proper credit

3. **Unauthorized returns** or any returned merchandise that does not have an RMA number will be quarantined. Quarantined product will be returned to the customer at the customer's expense. Quarantined product not picked up within 15 days of notification will be recycled, no credit will be issued.

4. **Regularly stocked ICW products that are returned after 90 days** from the date of invoice will be charged a minimum 20% restocking fee. No returns for products over 90 days. Additional fees for damaged product or parts that need rework may also apply.

Kingsley Facility

About ICWUSA.com, Inc.

ICW is a majority women-owned U.S.-based design, engineering and manufacturing company with modern facilities located in Medford, Oregon. The company produces high-quality, professional mounting systems for computer equipment and other instruments for medical, dental, clean room, custom and manufacturing/industrial markets.
